## The HELIUS Blood Pressure Study

We are  
**hiring Interviewers**  
for the  
HELIUS Blood Pressure study

### We offer:

- Opportunity to work on a unique project for the health and wellbeing in Amsterdam and attend interview training!
- Payment €11.50 per hour

### You will:

- Interview Ghanaians living in Amsterdam about Blood Pressure and Lifestyle (e.g. nutrition)
- At AMC (HELIUS location) or at other places

*Do you speak English and a Ghanaian language (Twi, other) and are you available for at least 8 hours per week?*

**Join us in this study!**

# Would you like to contribute to the health and wellbeing of Ghanaians living in Amsterdam?

Become an interviewer for the HELIUS Blood Pressure study

## Why the HELIUS BP study?

Compared to other population groups living in Amsterdam, Ghanaians are far more likely to have high blood pressure. To date, we do not entirely understand why so many Ghanaians suffer from a high blood pressure. Therefore, the HELIUS Blood Pressure study will assess factors underlying high blood pressure

## For who is the HELIUS BP study?

All Ghanaians who will take part in the HELIUS study can participate in the HELIUS Blood Pressure Study

*By joining us, you contribute to the health and wealth of Ghanaians living in Amsterdam*

## How can I join the team?

- You speak English and a Ghanaian language (Twi, other)
- You are available for at least 8 hours per week and have a valid working permit
- Send your CV and motivation why you would like to work as an interviewer
- We will invite you for a short interview

**Please send your CV & motivation or ask for information:**
